Information pursuant to article 13 of EU Regulation 679/2016, to those who interact with OMR Srl:

OMR Srl recognizes the importance of the protection of personal data, undertakes to respect the privacy of users, to treat private data with caution and confidentiality and not to use them for purposes other than those specified below.

To this end, this policy describes how to manage the site in relation to the processing of personal data of users who consult it.

This Policy may be amended or updated at any time by OMR Srl.

The information is provided only for this site and not for other websites that may be consulted by the user through links.

1. Data controller

The data controller is: OMR Srl, Largo delle Industrie 4/5, 24020 Torre Boldone (BG), henceforth also "OMR".

2. Data and purpose of the processing

OMR informs users of the site that the data collected will be used exclusively for the purposes specified below. The data being processed are browsing data and data provided voluntarily by the user

1. Navigation data

The computer systems used to operate the website acquire some data necessary for the operation of the platform and information whose transmission is implicit in the protocols used for internet connection and browsing

Some information related to the browser session and generic data related to the device used by the user are also acquired. All data are acquired anonymously and not referable, however, to a specific user or for profiling purposes.

2. Data provided voluntarily by the user - area "contacts" and registration phase

The user, to access some services of the website, provides OMR with different types of data in spontaneous form after having read this information and possible consent to the treatment for one or more of the purposes provided and listed below.

OMR will use the data collected for:

- a) a) purposes related to the use of the services offered by the site (site navigation);
- b) b) activities strictly connected and instrumental to managing relationships with customers and potential collaborators (contact requests);

- c) c) marketing activities, even after any specific user consent, aimed at market research; economic and statistical analyzes; sending of advertising / informative / promotional material, sending of newsletters, also in relation to programs and promotions, including online, communications, development and maintenance of business relationships.
- d) process the data related to curricula for evaluation of job applications.

The provision of data for the purposes referred to in letters c) d) is optional and must be provided in accordance with the procedures expressly provided for by article 7 of the GDPR, directly from the website.

Communications relating to marketing activities may take place through the use of traditional methods (eg, paper mail, phone calls with operator), automated (eg, phone calls without operator) and similar (eg fax, e-mail, sms , newsletter).

Unless otherwise agreed, OMR may continue to send its customers commercial communications relating to services similar to those they are already using.

3. Processing methods

Data processing will be carried out pursuant to Art. 4 n. 2) of the GDPR, by means of the following operations: collection, registration, organization, storage, consultation, processing, modification, selection, extraction, comparison, use, interconnection, blocking, communication, cancellation and destruction of data.

The data will be submitted to both paper and electronic and / or automated processing.

Data from their receipt / update will be kept for a reasonable period of time with respect to the purposes of the treatment described above.

For more information regarding the terms of data storage, please write to privacy@omr-srl.com.

4. Communication and data transfer

The data, object of the treatment, will not be diffused; may, for the purposes indicated in this statement, be communicated to third parties, including business partners, consultants and freelancers, banks and credit institutions, insurance companies, financial companies, factoring, leasing, services, management and credit recovery, auditors, debt collection companies, public bodies, auditing or supervisory bodies, to fulfill obligations deriving from the law, regulations, community regulations or for aspects concerning the management and execution of the legal relationship with you, or occurred.

The data will be processed by the following subjects:

- Employees of the company who act as persons authorized to process data according to the tasks performed and adequately educated.
- External Managers under Article 28 of the GDPR.

The list of persons responsible for the processing of personal data is available at the registered office of OMR.

For all the purposes indicated in this statement, the data may be communicated also abroad, inside and outside the European Union, in compliance with the rights and guarantees provided by the current legislation, subject to verification that the country in question guarantees an "adequate" level of protection in accordance with the provisions of the GDPR.

5. Rights of the interested party

It is specified that in the quality of interested parties, at any time it may be requested:

- a) access to personal data;
- b) their correction in case of inaccuracy;
- c) cancellation;
- d) the limitation of treatment;
- e) the right to object to the processing of data where the conditions are met;
- a) the right to the portability of data, ie to receive in a structured format of common use and readable by automatic device, the personal data provided.

Although not expressly provided for by the provisions referred to above, reference should be made to the legislation in force on the subject of Privacy and specifically to articles 15, 16, 17, 18, 20 and 21 of the GDPR.

For further information on this information or on any privacy topic, or in case you wish to exercise the above mentioned rights or withdraw your consent, you can write to privacy@omr-srl.com .
